

# Sample Schedule for Part-time Enrollment in the Center for Creative Change – Recommended Option

Begin fall or spring quarter.

Classes are held Fridays through Mondays one weekend a month.

M.S. in Management and Leadership

M.A. in Environment and Community

M.A. in Organizational Development

M.A. in Communication

M.A. in Whole Systems Design

## THE GATHERING

Prior to the first weekend of the program, new students attend an off-site retreat to build community and prepare for the program.

## CORE COURSES

You complete the following core courses during the first four quarters:

- ▶ Communication Design
- ▶ Critical Inquiry
- ▶ Global Pluralism
- ▶ Systemic Thinking for a Changing World
- ▶ Sustainability
- ▶ Transformative Leadership and Change

## CAUCUS

You join a half-day seminar with faculty and students in your degree program. Through these seminars, you apply a program-specific perspective to the interdisciplinary core courses during your first three quarters.

## METHODS AND APPLICATIONS OF SUSTAINABLE CHANGE

You complete seminars of three consecutive quarters each.

### Methods for Sustainable Change

In simulated situations, you explore current methods and theories to implement sustainable change. In addition, you do a case study of an actual change project in a business, organization or community.

### Applications of Sustainable Change Capstone Change Project

You develop and execute a change project either in a team or individually, supported by a seminar facilitated by faculty and community/business leaders.

## SPECIALIZATION COURSES

Each degree program includes required specialization courses and electives. Details are outlined on each program fact sheet.
