To process financial aid applications, Antioch's Student Accounts Office may take six to eight weeks, so students are urged to apply for financial aid early. For applications and assistance, please contact the Financial Aid Office at 206-268-4010. Financial aid information and forms also are available online at www.antiochseattle.edu/checklist

Scholarships

Antioch offers a limited number of scholarships to new students. To be eligible, applicants must demonstrate financial need and be enrolled full time. Eligibility requirements for scholarships may vary.

To apply for a scholarship, prospective students should complete a scholarship application which is available in the Admissions Office and online at www.antiochseattle.edu/newscholarships. Because scholarships are based on financial need, applicants also need to complete a Free Application for Federal Student Aid (FAFSA) at least two weeks prior to the scholarship application deadline. Students can complete the FAFSA online at www.fafsa.ed.gov.

Other Financial Assistance

Assistantships are available to help graduate students meet their educational expenses. Students gain valuable experience in working closely with members of the Antioch faculty and staff.

National Service Scholarships may be available for new students who are:

- Current, full-time Americorps members OR
- Alumni of Americorps, VISTA or Peace Corp who have completed at least one year of full-time service

Veterans Administration Benefits

Veterans may be entitled to educational benefits while they pursue a course of study at Antioch. Eligible students should contact the Registrar, who serves as the VA certifying officer, for the appropriate forms to initiate requests for benefits. Students also may contact the local VA office for assistance and forms.

Financial Aid Withdrawal And Refund Policy

Financial aid recipients who change their enrollment status to leave of absence (LOA) or withdraw during a term for which financial aid payments have been received will have their tuition adjusted according to Section 484B of the Higher Education Act. Such students may have to return unearned aid. See the Financial Aid Office staff for more information.

When a financial aid student does not complete a term, the calculation of financial aid earned is based on the period of enrollment completed. That percentage is computed by dividing the number of calendar days completed as of the date the student notified Antioch of the LOA or withdrawal by total number of calendar days in the term. The percentage of Title IV assistance to which the student is entitled (earned aid) is equal to the percentage of the term completed, up to 60 percent. If the termination occurs after 60 percent, the earned percentage is considered equal to 100 percent.

The amount of Title IV aid that a student must return is based on the percentage of unearned aid. That percentage is computed by subtracting earned aid from

100 percent. Antioch is required to return to federal sources the lesser of (1) the unearned aid percentage applied to the institutional charge, or (2) the unearned aid percentage applied to the total Title IV aid received.

The student is required to return the difference between the amount of unearned aid and the amount returned by Antioch. The student will be billed for the amount owed the Title IV programs and any amount due the University resulting from the return of Title IV funds used to cover University charges. If the student (or parent in the case of a PLUS loan) is required to return a portion or all of the loan proceeds, the calculated amount is to be repaid according to the loan's terms. Students must return only half the amount of grant funds calculated.

Funds are returned to the following Title IV sources in order of priority:

- Unsubsidized Federal Family Education Loan program (FFELP)
- Subsidized FFELP Loans
- Federal Perkins Loans
- FFELP PLUS Loans
- Federal Pell Grants
- Federal SEOG
- State Need Grant
- Other Title IV assistance for which the return of funds is required
- Other federal, state, private or institutional financial assistance

Outside aid will be reduced by the unearned percentage, but not to create a debit balance on the student's account. Institutional aid will be reduced by the unearned percentage times the aid program's percentage of aid as compared to total aid, but not to create a balance below zero.

If less aid is disbursed than earned, the student may receive a late disbursement for the difference.
