The Center for Creative Change (CCC) embodies the values of social justice, collaborative learning, diversity and sustainability. These values are reflected in our mission and our learning strategies. The Center's mission is to prepare students to envision and lead effective, sustainable change in organizations, businesses and communities.

CCC brings together five degree programs in an integrated multicultural model of graduate education, a model with a foundation in systems thinking and respect for both natural and social systems. Each degree program maintains a rigorous, specialized curriculum within the interdisciplinary model, allowing students and faculty to collaborate across program lines in research, coursework, community projects and internships. Our graduates have the focus of a specialized degree with the flexibility of a broader vision.

*Classes offered by any program in CCC are open to all CCC students unless otherwise noted. Please confer with your adviser to determine the suitability of any course for your program of study. Students in other programs may be eligible with permission of the instructor, unless otherwise noted.*

CCC core courses provide a learning community for working adults: a combination of

experience, theory and applied research, real casework, on-the-job-challenges and community-based projects. Whether students focus on businesses, nonprofits, community organizations, the environment or other application areas, the core courses help them develop the knowledge and practical skills necessary to be successful change agents.

**FirstClass:** All CCC classes utilize FirstClass. Students are required to have an activated FirstClass account by the first day of the quarter.

**Preliminary assignments:** CCC courses may require readings prior to the first day of class. Students are required to check the preliminary assignments conference for each class that they will attend. Preliminary assignments are posted to the preliminary assignments folder in the My Center conference by Monday of Week 9 of the previous quarter.

**Class Meetings:** Your registration confirmation may list general dates for the term or for specific classes; for most up to date class meeting dates and times, refer to myAntioch.
