

School of Applied Psychology Integrative Studies in Psychology Program

Preliminary Plan Outline

Submit a brief description and outline of

- The proposed focus of your studies in ISP and in other disciplines
- What other disciplines you wish to study in tandem with psychology
- How you plan to relate psychology to other fields of work and interest
- The specific areas of psychology to be studied and the types of courses and independent studies to be pursued
- The knowledge and skills to be developed through graduate studies in ISP
- The purpose or outcome of having an ISP degree

When the above is completed, please FAX or e-mail your outline to:

Ulysses D. Zenon
Admissions Counselor
(206) 268-4211
(206) 441-3307 - FAX
