

Renew Library Materials Online

You can renew your library materials from home or any off-campus computer as long as you have web access.

1. Starting from the AUS Library home page, <http://www.antiochsea.edu/lib/index.html>, click on the Library Catalog button (or click on the AUS Library Catalog link on the left hand side of the page.)
2. Click on My Account – its in small orange letters under the E-Books button.

3. Log in with your student ID or datatel number. Your PIN is the last 4 digits of your student ID/datatel number until you change it (you will see the “Change Pin” button after you log in).
4. You’ll see a list of the books you have checked out currently. Click the box on the left of each title for the books you wish to renew. Click the Renew Checked Items button.

5. You should now see the new date. If you are not able to renew your materials, contact the library for help, 206-268-4120 or library@antiochseattle.edu.
